SPECIAL MEETING
OF
TRINITY BROADCASTING NETWORK, INC.

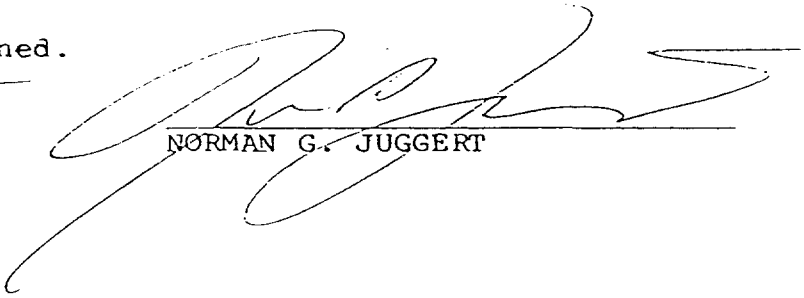

A special meeting of Trinity Broadcasting Network, Inc. was held on December 15, 1987 at Newport Beach, California. All directors were present or represented by proxy.

The board considered requests for loans from Trinity Broadcasting of Indiana, Inc., an affiliate of this corporation and Holiday R.V. Parks, Inc. dba Trinity Towers. The President explained that the Indiana corporation required the funds for the purchase of a studio and office complex for its television operations. He also explained that Trinity Towers, the owner and operator of a mobile home park adjacent to the studio and office of the corporation's affiliate in Florida required funds in the sum of approximately \$350,000.00 to pay one promissory note of the corporation and \$800,000.00 to pay a second promissory note. The President explained that it was important that the property occupied by Trinity Towers be free of the threat of foreclosure due to its crucial position to the aforesaid offices and studio.

It was moved, seconded and passed that the corporation loan a total not to exceed \$115,000.00 to Holiday R.V. Parks, Inc. dba Trinity Towers for the payment in full of allegations of said corporation.

The meeting the adjourned.

BROADCAST INTERESTS AND STATEMENT OF
COMPLIANCE WITH RULE 73.3555(d)

National Minority TV, Inc. is a California nonprofit corporation organized on September 16, 1980 under the name Translator TV, Inc. It has had the same three officers and directors since its organizational meeting of September 19, 1980: Paul F. Crouch, P. Jane Duff and Phillip David Espinoza. Mrs. Duff is a Black female, and Mr. Espinoza is an Hispanic male.

Under its former name National Minority TV, Inc. submitted 15 low power television applications in the following markets: Columbus, Ohio, Ch. 50; Crestline, et al., California, Ch. 47; Dallas, Texas, Ch. 51; Rockford, Ill., Ch. 57; Houston, Texas, Ch. 56, Spokane, Washington, Ch. 57; Washington, D.C., Ch. 42; Fort Worth, Texas, Ch. 47; Las Vegas, Nevada, Ch. 51; San Antonio, Texas, Ch. 50; San Francisco, California, Ch. 51; San Bernardino, California, Ch. 60; St. Louis, Missouri, Ch. 50; Portland, Oregon, Ch. 57; and Philadelphia, Pennsylvania, Ch. 41. These applications have either been dismissed, or are awaiting lottery assignments. In each application, however, a minority enhancement credit was noted since two-thirds control of National Minority TV, Inc. (formerly Translator TV, Inc.) is in the hands of members from recognized minority groups.

FCC Form 314
Exhibit I, Page 2

Commission Rule 73.3555(d)(1) permits an ownership interest in up to 14 television facilities provided the licensee organization is minority-controlled. In this instance, while one of National Minority TV, Inc.'s principals, Paul F. Crouch, presently has an interest in 13 commercial television facilities (noncommercial facilities are not subject to the multiple ownership rule, Section 73.3555(f)), a majority of National Minority TV, Inc.'s directors are minorities, and it is therefore minority controlled and in compliance with rule 73.3555(d)(1). On June 15, 1987 the Commission determined that National Minority TV, Inc. was in compliance with Rule 73.3555(d) when it granted assignment application BAPCT-870203KF involving KMLM(TV), Odessa, Texas.

In addition to meeting the numerical limits for television ownership interest, National Minority TV, Inc. is also in compliance with the "national audience reach" standards contained in Rule 73.3555(d)(2). Specifically, based on Mr. Crouch's television involvements, the following national audience reach figures apply:¹

^{2/} No Arbitron figures available, these numbers are assumed based on population.

TRINITY BROADCASTING NETWORK VOL. XV NO. 1 JANUARY 1988

CHINA...THE MIRACLE HAS BEGUN!

It all began one night on *Live PRAISE THE LORD* when a strange little man, a prophet we were told, spoke a word so immense, so overwhelming I could not even receive it at the time. Ten years ago this message came—his eyes seemed to pierce into my very soul... "Paul, God has charged you to reach CHINA with the Gospel!" Oh brother! Mao Tse-Tung was still alive. The Communist revolution was still in its heyday. They were still killing Christians. China was CLOSED! He might as well have told me to take the next shuttle to the moon! But I never forgot that night or those eyes.

Not long after this, Jan and I met Nora Lam. Her story electrified us... Her grandfather, Chairman of the People's Republic of China, had lost everything in the Communist revolution. Nora was tortured because she would not renounce her faith and marched out before a firing squad. With the crack of the rifles—a light shone from heaven blinding the eyes of the Red guards and Nora's life was miraculously spared. Tears flowed from her classic oriental eyes as she relived the agony of that fateful night. For months she was forced into hard labor in a Communist work camp. Then she was finally given a release to join her husband in free Hong Kong to give birth to their son. As she walked across China—to freedom, the last miles were tortuous and long. She was pregnant with her second child—which she carried miraculously for 12 months before giving birth! That night Nora shared her dream with us—to reach her Chinese people by Television soon—and Chinese *PRAISE THE LORD* was born! For nearly ten years TBN has produced Nora's program—even paying for the air time (\$50,000 a year) to cover Taiwan (free China). But even the thought of televising the Gospel to Mainland China was all but unthinkable! Then the door opened a crack when President Nixon normalized relations with the People's Republic of China, and one quarter of the world's population that had lived in virtual isolation for 30 years—began to live again.

Two years ago, I visited China for the first time with Nora. Naturally I wanted to visit the TV stations. To my surprise, I found that Japan had invaded China with TV sets just like the rest of the world! I learned that over 600 million people watch a typical prime time program in China! Dear God...could it be? But how? There was still much persecution of the Church, and Christians were still forced to worship in secret "underground" home churches.

Then, wonder of wonders, I was invited to meet with Mr. Zhu Jing-He, Chairman of China Central Television. I found him to be friendly, cordial man—eager to reach out a hand of friendship to America! We discussed the possibility of an exchange of "cultural programs." We taped a brief greeting on New Year's Day 1986 and agreed with a handshake to pursue this exchange of programs. For two years, Nora Lam has been the link—the "go between"—carrying messages back and forth, even producing a pilot program for review. Then another breakthrough in early 1987 when Arthur Blessitt actually walked with the CROSS in China! Watchman Nee had died for proclaiming the Cross and now Arthur carries it publicly and witnesses for Jesus without incident! The door opens further!

Finally the day arrived in late November, Mr. Zhu Jing-He arrived with his delegation and a preliminary contract was signed on TBN *Live*—not only to exchange weekly programs, but to do a four program mini-series!—Are you ready for this?—ON THE LIFE STORY OF NORA LAM! A Chinese Christian, exiled for her faith in Jesus—in effect, being welcomed home and honored as a bridge builder between America and China! I went to some lengths to explain to Mr. Zhu Jing-He that in America, it is difficult for us to separate our religious life and experience from our cultural life. I tried to show that being a Christian, simply made us better citizens—honest in our dealings and loving and caring toward our fellow man. He interrupted me to exclaim that there would be "NO PROBLEM" in our (D)
